MICRO AWAY™ sheet is 1.4 times denser

The microfibre sheet is 150 times thinner than general fiber and 1.4 times denser than the other sheets used by our company. To make the zero-distance between the sheet and your skin for giving the active component to your skin effectively.

Low irritation text completed

It have completed the low irritation text. Sensitive skin can also use it with confidence.

Glutathione

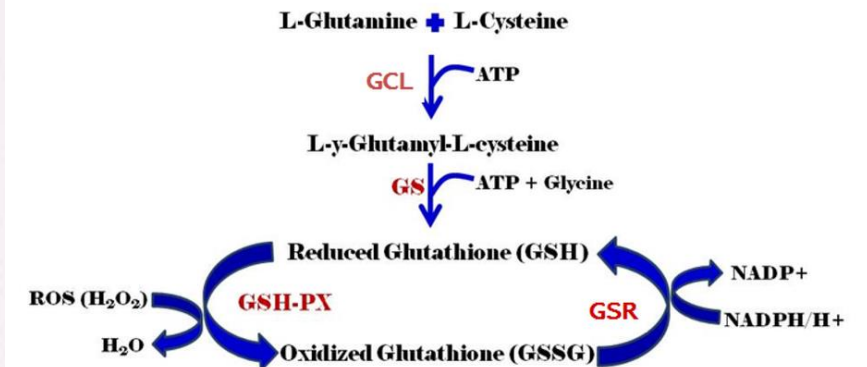

Significance of Glutathione

- Master Anti-oxidant in each Cell
- Master Anti-inflammatory in each Cell
- Master Detoxifier inside each Cell
- Primary Detoxifier of Heavy Metals
- Chelator - 50% as effective as oral chelation in getting rid of Mercury
- It Transforms Hemoglobin into its reduced state, enabling it to accept oxygen and carry it to the cell
- Major Protector of the Mitochondrial DNA(Power House of the Cell)
- Major Protector of the nucleus of the cell and the DNA of the cell
- Major Protector of the Immune Cell and the Immune System
- Cardiovascular System Enhancer
- Only Antioxidant that can recycle itself
- First line of protection against environmental chemicals and toxins

Causes of Glutathione Depletion

Glutathione Formation and Recycling

There are precious jewels in Luminous 8

8 kinds of jewels in one pocket to keep the skin health and make the skin bright and shine like a gem.

The highly-enriched ampoule as it is in the premium care

There are the collagen which can improve skin elasticity and Coenzyme Q10 inside it. To settle the problems once and for all.

MICRO AWAY™ sheet is 1.4 times denser

The microfibre sheet is 150 times thinner than general fiber and 1.4 times denser than the other sheets used by our company. To make the zero-distance between the sheet and your skin for giving the active component to your skin effectively.

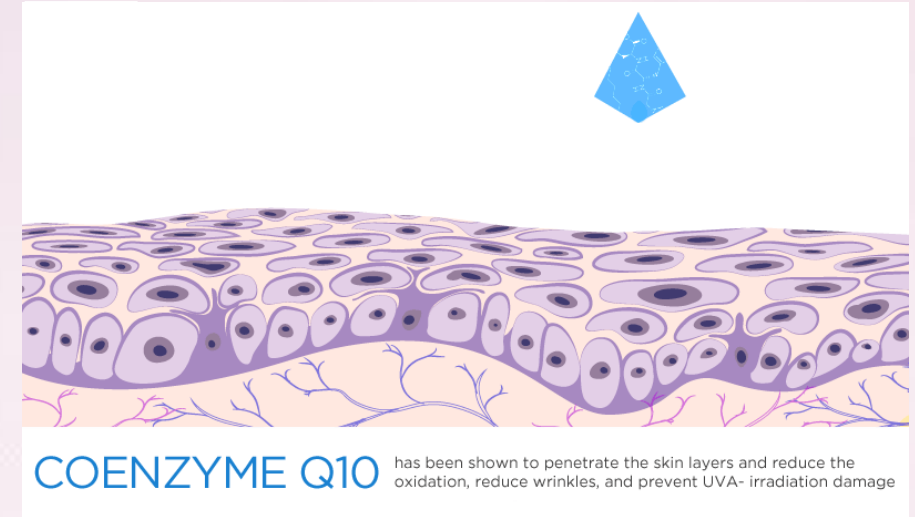

Low irritation text completed

It have completed the low irritation text. Sensitive skin can also use it with confidence.

Coenzyme Q10 / Collagen

Significance of Coenzyme Q10

Coenzyme Q10 have the effect with anti-tioxidant, reduce the microgroove clear, improve the elastictiy, repair the keratin unsound skin and promote the skin renew

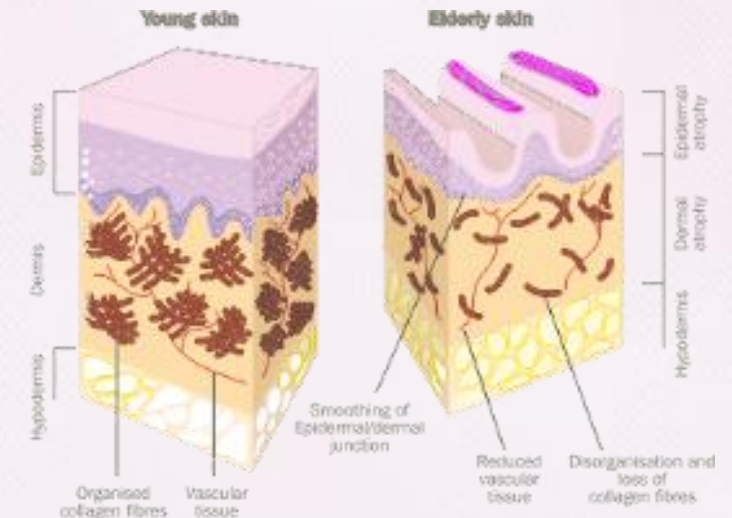

Significance of Collagen

Collagen is extracted from the animal skin or plants. And the extract not only have the collagen, but also have the Hyaluronic acid and chondroitin sulfuric acid and so on proteoglycan.

They have a lot of polar group, which is Sodium PCA, and have the function that prevent the tyrosine change to the milanin in the skin.

So the collagen have the function of moisturizing, skin whitening, anti-wrinkle and removing freckle.

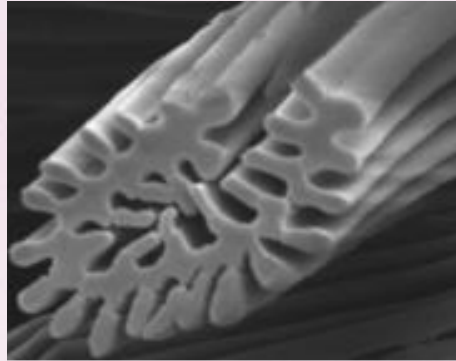

150 times thinner than the general fiber and **1.4times denser**
Up the adhesion by MICRO AWAY™ microfibre sheet

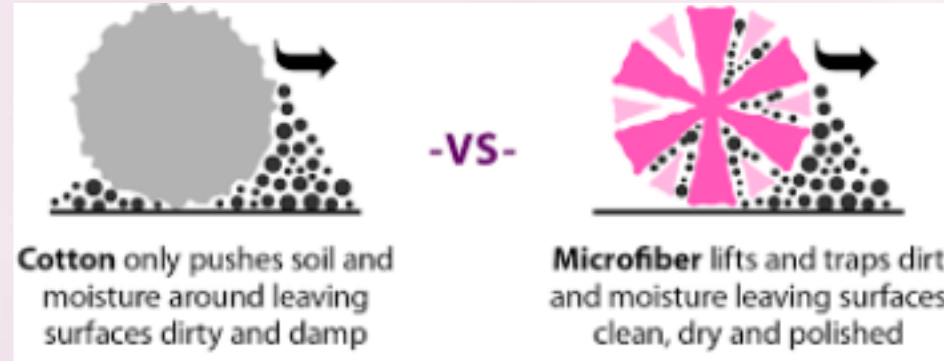

1.4 times thicker than our other mask pack.
There is more than 35% active essence inside by denser sheets giving your skin the active component effectively to make your skin elastic and care your skin health.

150 times thinner than the general fiber and **1.4times denser**
Up the adhesion by MICRO AWAY™ microfibre sheet

※ The cross section of microfibre

※ Adsorption principle of microfibre

- The thickness of the fiber is 0.01 Denier, which is 150 times thinner than the general fiber, so that the surface of the fiber touching the skin is very dense. Excellent skin adhesion.
- Silky, soft and comfortable to wear on the face.
- Dust off function that adsorbs the skin wastes due to dense fiber section compared to pure cotton.

THE SECRET OF NOBLE SKIN! **Luminous 8 jewels care**

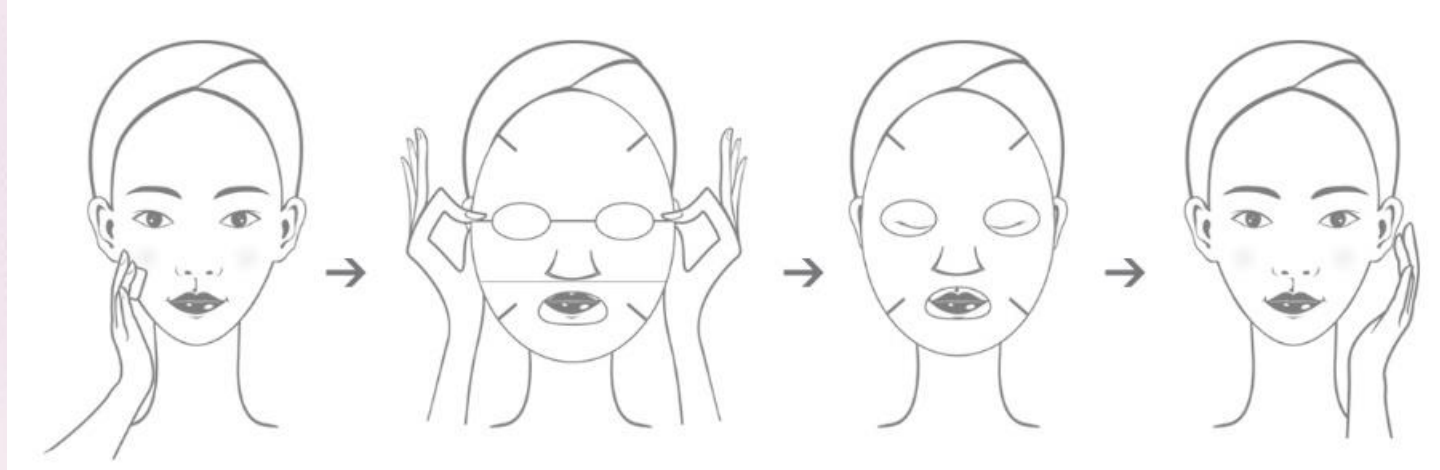

Luminous 8 mask is made from high-class jewels which will not be used by aesthetic shop and can make your skin beautiful.

Why Luminous 8 jewels care?

- ◆ Mask can be used for extremely sensitive skin!
- ◆ Over 1.5 times more powerful absorbency compare to pure cotton sheet!
- ◆ All the nutritional ingredients of a cream and ampoule are contained in 1 sheet of Mask.
- ◆ Eight kinds of jewel ingredients solve more than 8 kinds of skin troubles.

HOW TO USE

- 1) Wash face and tone the skin with skin toner or serum.
- 2) Open up the mask and evenly apply onto face excluding the eye and mouth areas.
- 3) Approximately 10-15 minutes later, remove the mask and pat in the remaining essence.

TIP!

If you use it once or twice a week depending on your skin condition. You can experience the bright and elastic skin immediately.

Please use immediately after opening the pouch.

★ While you are wearing the mask pack, It also good to massage for body, neck and hand with the cream and ampoule remaining in the pouch.

THANK YOU.
